YMCA Youth & Government (Y&G)

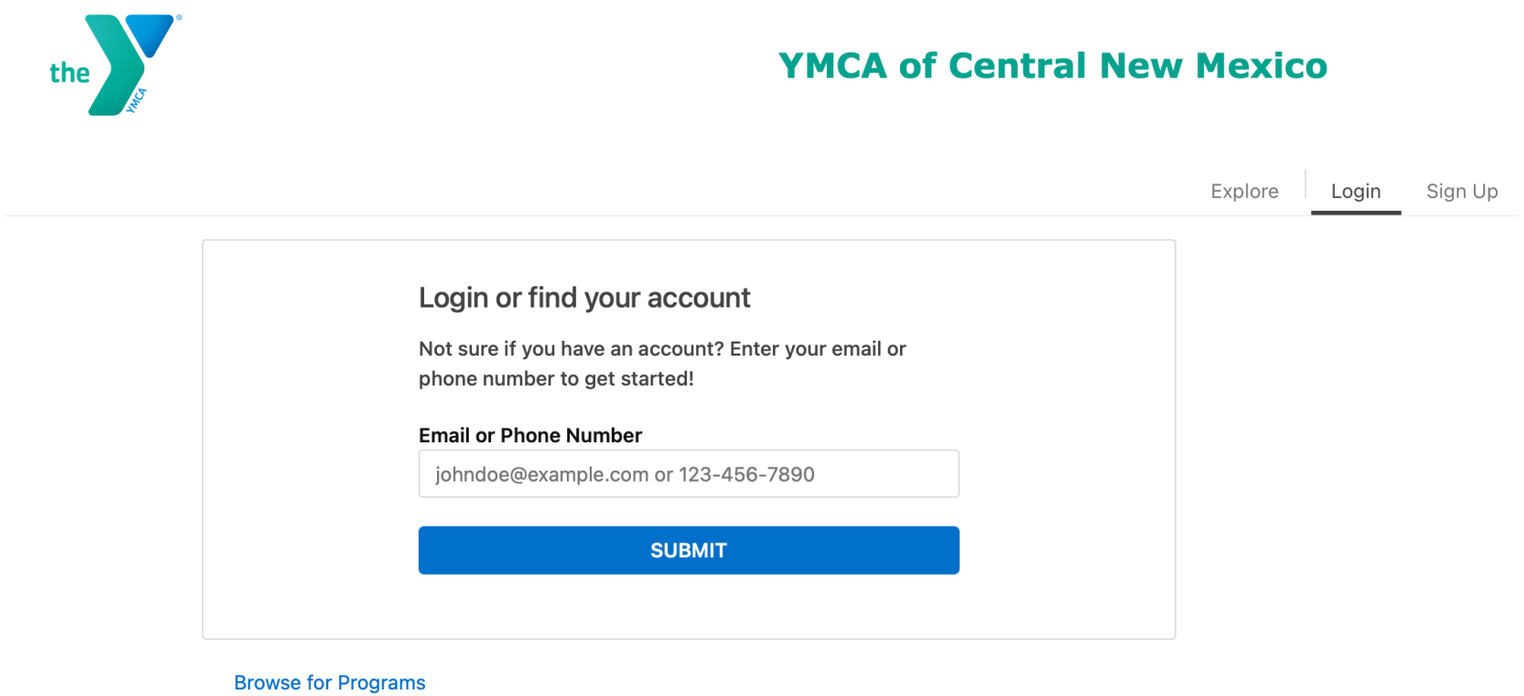

Registration Guide

Participants under the age of 18 MUST have a parent or guardian present for the registration process.

Teachers may NOT register students.

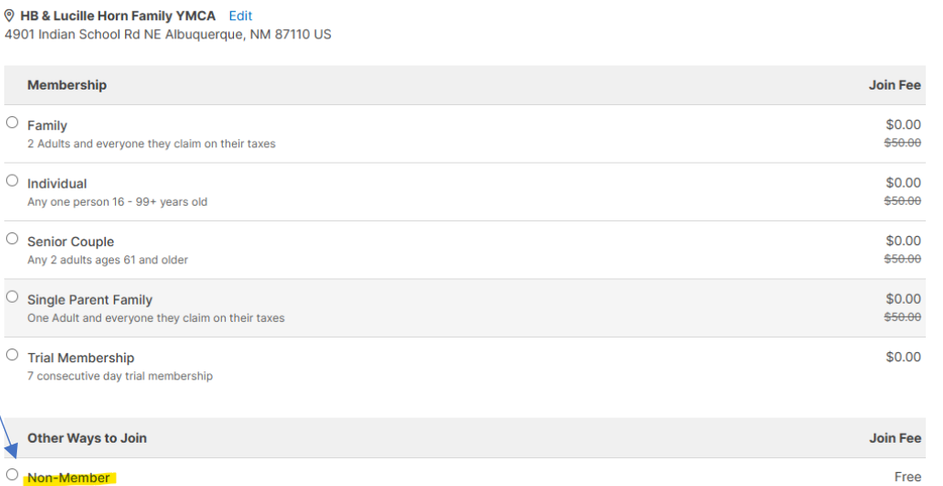

Go to https://tinyurl.com/nmyag-register

- Check your email and/or phone number to see if you have an existing account. If so, set up a new password. If you do not, click “Sign up”

If creating a new account, first enter an adult on the account, then add any dependents who will be registered for programs. You can register for a non-member account.

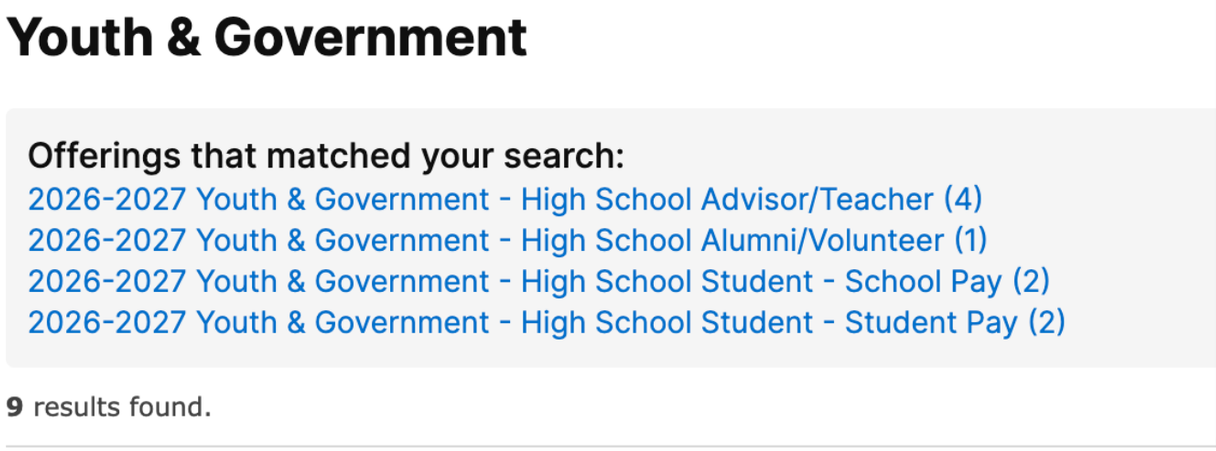

- New members will be prompted to add a new unit.
- You can sign up as a non-member under **ANY Branch**.
- Please add a parent/guardian as the primary member first.
- Then, add youth participants.

If you have an existing account, when you log in to the Dashboard, scroll down to the “Membership” section to confirm that there is an adult on the account as the primary, and that the student(s) who you are registering for the program is(are) also on the account.

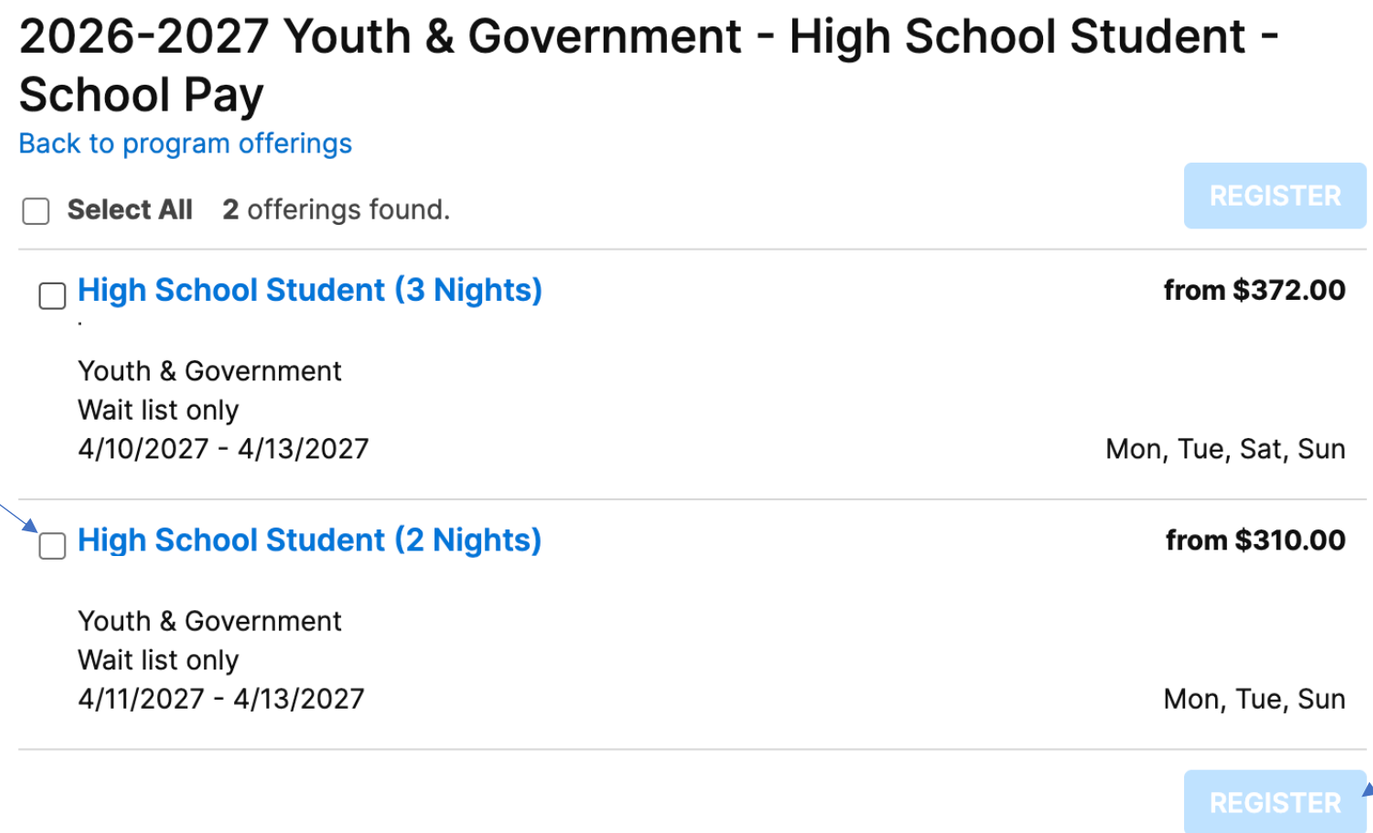

If the person registering for the program is not on the account, add them. If you encounter issues doing so, please contact nmyag@ymcacnm.org for help.

- Once you have confirmed the right users are on the account, go to “Activities” and select “Register for a program or event”
- In the list of categories, select “Youth & Government”
- Under “Youth & Government” select the option that matches how you are registering:

STUDENTS:
Select the “School Pay” or “Student Pay” option based on how your delegation is paying for the program.
Use “Student Pay” if you are paying any portion at the time of registration.
Use “School Pay” if your school is going to pay the YMCA. This includes if you are fundraising at school, and for any schools that pay for programs through their school.
If you are unsure, ask your delegation advisor how to proceed.

If you are an advisor or student, you may have multiple options based on when your delegation will arrive. Chose the option based on number of nights you will stay at conference. In most cases, schools from Southern NM stay 3 nights; and schools from the Albuquerque area or northern New Mexico stay 2 nights. If you are unsure, please discuss with your delegation advisor.

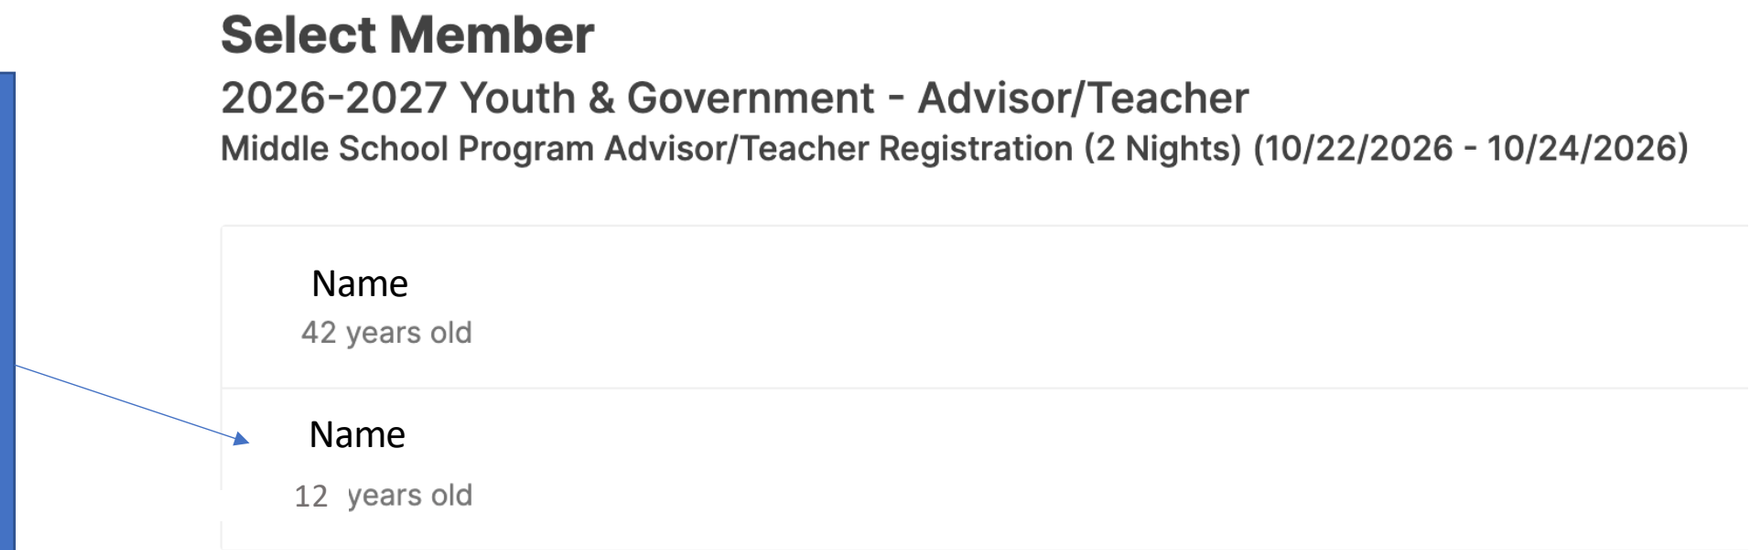

1. Check box next to program date

1. Select “Register”

Select the member you are registering for Youth & Government.

If you are registering two members, register one individual first and then you can return to register additional participants.

Please select your school delegation or if your school does not have a delegation, select the La Familia Statewide Delegation.

-Select One-

is required.

Expected Graduation Year *

-Select One-

is required.

What branch area do you wish to participate in at the High School Conference? *

Agreements/Waivers

2026-2027 Youth & Government – High School Student

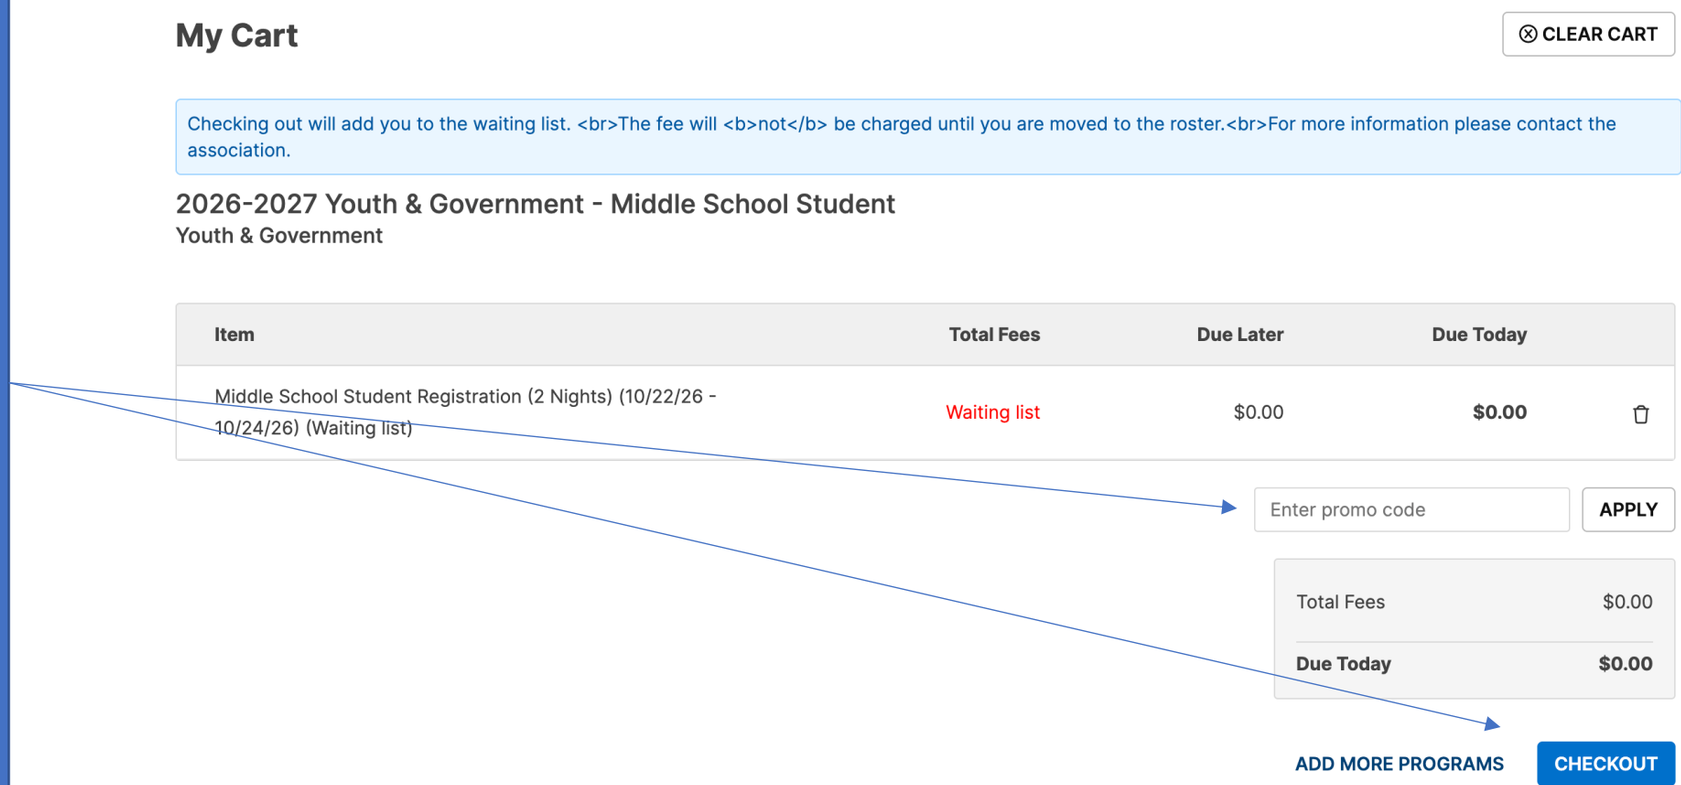

Read and Complete the Program-Specific Waivers and Agreements
For Participants under the age of 18, these MUST be acknowledged by a Parent/Guardian.

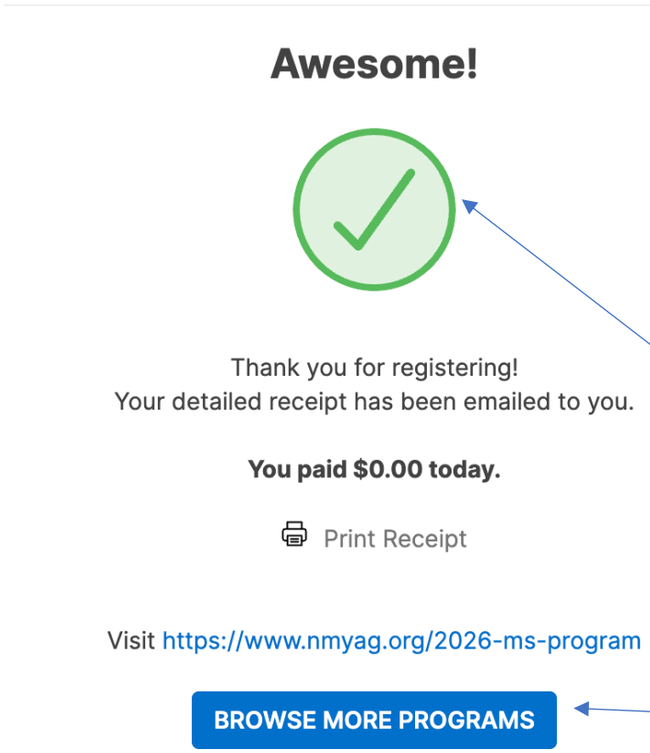

- Liability Waiver
- Photo and Video/Audio Recording Release
- Youth & Government Code of Conduct
- Youth & Government General Event Agreement
- Youth and Government Survey Collection (Students only)

High School students will have an amount due at registration if registering using the Student Pay option. If you received a code for financial assistance or from your school, enter the code in the promo code box and click Apply.

Adults who selected a paid option during registration will be prompted to make payment to complete registration.

Please select “Checkout” to complete registration

Once you have reached the confirmation page, you will see a confirmation of successful registration. If you have another participant to register, such as a sibling, click “Browse More Programs” then select “Youth & Government” from the list of program options.
